(Use as much space as you need. Attach extra sheets if necessary.)

1. Lieutenant Garbs acting under the color of state law in his individual and official capacity in not acting on and disregarding my request involving case being ran concurrent and time was already served and I should've been released when it was within his power to facilitate my obstacle and he did nothing about it and by him doing so I suffered by being held over and beyond the time I was suppose to be held incarcerated. 5/13/05 Sateville Correctional Center

2. Brent Anderson acting under the color of state Law in his individual and official capacity in not acting on and disregarding the fact that parole was indeed over and violated parole 4/15/07 when indeed parole was completely over and as a result a hold was placed on Bond and parole is in the discovery of present criminal case which prevents myself from a speedy trial which violates constitutional rights and aided cruel and unusual punishment by getting involved with criminal investigation which IDOC wasn't in the guidelines to do. 4/15/07 103rd halsted parole

3. Percy Coleman acting under the color of state law in his individual and official capacity in not acting on and disregarding the fact that parole was completely set up and issued wrong, I was paroled 4/4/05 and was paroled again 7/12/05 these parole's were suppose to be one cause cases were ran concurrent but instead one parole was revoked and a term of imprisonment was issued and then another term of parole was issued which violates ex post facto and by law parole was invalid, the whole scheme was to make Dwight Thomas do 61 days in IDOC just to get paid off of him, and Cruel and unusual punishment was issued to me by any means necessary to make sure and ensure IDOC gets paid, I wasnt looked at as a human being who can live life and liberty with the pursuit of happiness, instead I was a tool utilized as a form of a paycheck for IDOC profit which in modern day terms is a form of modern day slavery cause I was incarcerated against my will and forced to be in jail (7/12/05 - 4/15/07) 103rd Halsted

4. ~~Julius Flagg~~ Julius Flagg acting under the color of state law in his individual and official Capacity in not acting on and disregarding the fact that Dwight Thomas had already served 3 years and cases were ran concurrent in fact his position as Assistant Warden

of programs consist of him overseeing records department meaning he saw fit and opportunity to get paid off of Dwight Thomas by making him against his will stay incarcerated 61 day for Pinckneyville Correctional Center to get paid off of incarceration he issued cruel and unusual punishment and used his title to make everything seem legit. 5/20/05 5835 state Route 154 Pinckneyville IL, 62274

5. John Evans acting under the color of state law in his individual and official capacity in not acting on and disregarding the fact that he signed off and approved good-time consecutively and case was ran concurrent, he used his authority and power and saw opportunity to receive money and took it cause in actuality Dwight Thomas has 2 different out-dates, 2 different good-times, and 2 different paroles all on a concurrent sentence in this all is in paperwork so there is no way it can be avoided, so This was a scheme IDOC put all together themselves to issue cruel and unusual punishment, ex post facto, Double jeopardy, and modern day slavery, because I am illiterate of the law and have no control once in custody of myself or situation so to be honest

he had control of my life, he decided if I was to be free or incarcerated and he chose, I will let him go after I get paid off of him, so if thats not slavery then what is? 5/20/05 5835 State Route 154 Pinckneyville IL, 62274.

6. JANE/John Be supervisor of records Stateville Correctional Center, acting under the color of state law in his <sup>res</sup> individual and official capacity in not acting on and disregarding the fact that my case was ran concurrent and time was already served this person made a rational decision based on chance, meaning whats the chances of getting caught and Dwight Thomas actually filling a civil claim, In actuality slim to none because education didnt go that far and he is illiterate to the law so the money would be IDOC's for the taking, his or her intentions were cruel and unusual punishment, and this person used there job to commit a criminal act and as a result I am mentally scared forever I throw myself at the court for there help to resolve situation. 5/13/05 PO/Box 112 Joliet IL, 60434

7. Jane/John Doe Supervisor of records  
for Illinois Department of Corrections in Springfield  
Illinois acting under the color of state law in his/  
her individual and official capacity in not acting on and  
disregarding the fact that Springfield supervisor  
of records finalizes earned good-time credits and over  
sees all records meaning Springfield sends your  
outdate and decides whether you shall be released  
or incarcerated so knowing that this was a scheme  
by all people in authority and power to do so as they  
see fit <sup>to</sup> issue cruel and unusual punishment, ex post facto,  
double jeopardy, ~~and~~ modern day slavery. All these people  
named helped and aided in some way shape and form, keeping  
me locked <sup>up</sup> just enough time were as though IDOC gets  
paid. this is a catch I catch all situation cause everyone  
in this civil suit saw paperwork so they were either  
with it or against it meaning if you did nothing about  
it try to correct situation you had to be with it knowing  
that this was a criminal act and what makes them  
different from the people they detain? 6/21/05  
Springfield IL 1301 Concordia Court
